VISHAL SHARMA

Full Stack Developer

📞 +91 9910549431 | ✉ vishu0510757@gmail.com | 📍 Noida, India | DOB: 08-02-2004

CAREER SUMMARY:

Full-Stack Web Developer with 3.10 years of experience in developing responsive, dynamic, and scalable web applications. Proficient in frontend and backend technologies including HTML, CSS, JavaScript, React, Bootstrap, and jQuery on the frontend, and Node.js, PHP, Express.js, and CodeIgniter on the backend. Familiar with Next.js and its concepts. Focused on building clean, high-performance applications with user-friendly interfaces and robust backend systems.

WORK EXPERIENCE:

BeMedic Academy

Full stack Developer | (Part-Time) | Feb 2025 – Present

- Designed and developed a customized Learning Management System (LMS) tailored to the specific needs of Bemedic Academy.
- Implemented Role-Based Access Control (RBAC) supporting three user roles: Admin, Teacher, and Student.
- Integrated Zoom API for live virtual classes and recorded lectures, along with core LMS features like batch management, assignments, quizzes, and teacher–student collaboration tools.

The Royal Avenue (JS Dutta Group)

Web Developer | Sep 2024-March 2025

- Developed a full-stack web application to manage luxury travel packages, bookings, and user data.
- Built a custom admin panel for managing content, bookings, and customer interactions.
- Optimized site performance and ensured responsive, mobile-friendly UI/UX.

HireEd Pvt. Ltd.

Web Developer | Feb 2023-Sep 2024

- Designed intuitive UIs and developed back-end features using Core PHP, Ajax, and CodeIgniter.
- Integrated APIs, multimedia content, and enhanced website scalability and usability.
- Collaborated with cross-functional teams to deliver user-friendly, functional, and responsive web applications.

Inmortal Technologies Pvt. Ltd.

Frontend Developer | Oct 2021-Feb 2023

- Designed intuitive UIs and developed back-end features using Core PHP, Ajax, and CodeIgniter.
- Integrated APIs, multimedia content, and enhanced website scalability and usability.
- Collaborated with cross-functional teams to deliver user-friendly, functional, and responsive web applications.

SKILLS:

- **Frontend:** HTML, CSS, JavaScript, React.js, Bootstrap, AJAX
- **Backend:** Node.js, PHP, Express.js, CodeIgniter
- **Database:** MySQL, MongoDB
- **Tools:** Git, REST APIs, Zoom API, VS Code, Postman, cPanel
- **Familiar With:** Next.js, Laravel, CMS platforms

RELEVANT PROJECTS:

Inmortal Technologies Pvt. Ltd.

- **Fitness App Admin Panel** Developed a responsive admin dashboard for managing fitness videos, blogs, and user profiles. Integrated dynamic data display using REST APIs.
- **URPlan:** Built an interactive frontend dashboard with Google Maps API integration to display nearby hotels and seamless API-driven user data management
- **Cloud Treno:** Designed a modern UI for a hosting website using React.js, implemented payment gateways, and developed an e-commerce-like cart system for domain and hosting purchases.

HireEd Pvt. Ltd.

- **MediColl:** Designed the UI for MediColl, an online learning platform, and integrated email OTP verification with AJAX. Developed an admin panel to manage data, including lead count and user administration, and linked the forms to the CRM using Restful APIs (ExtraaEdge).
- **Wilp.mangalayatan (Core PHP):** Created the UI for Wilp.mangalayatan, allowing users to send course inquiries. Developed an admin panel to manage course data and implement IP-based admin security

Royal Avenue

- **The Royal Avenue Website:** Designed and developed a full-stack website with an admin panel to manage luxury travel packages, booking details, and user data using React.js (frontend) and Node.js/Express.js (backend). Integrated payment gateways, optimized performance, and ensured seamless backend management with MongoDB for efficient data handling and content updates.

MedVantage Solution LLP

Developed a comprehensive full-stack medical education platform to manage the complete lifecycle of healthcare professional enrollment—from inquiry to course completion. Implemented advanced features including:
- Multi-step booking workflow with real-time status tracking
- EMI-based payment system with automated installment scheduling and reminder notifications
- Integrated payment gateways for seamless transactions
- Built a centralized admin panel for complete website management, including user data, course content, payment records, and booking workflows.

EDUCATION:

Bachelor of Computer Applications (BCA)
Mangalayatan University, Aligarh | 2022 – 2025
